Dear Rosemarie,

On January 08, 2019, Jennifer Compton of Sun Federal visited Mom at 6036 Quarrys Edge Lane, and Mom stated, "*I should just commit suicide.*"

The possibility of suicide should never be underestimated, and this is a direct cry for help. In Jennifer Compton's opinion, "She cannot stay in Toledo."

The working plan is for Mom to stay at her house in San Diego at 11881 Cypress Valley Drive, San Diego, CA 92131.

term plan, since Mom cannot live alone. She is lonely and depressed, and she is not able to make her own decisions. Most likely, facility, preferably in San Diego.

Jennifer Compton is director of business development at Sun Federal Credit Union, and she has advised my Mom on her financial affairs for approximately two decades. She is cc'd to this letter, and her phone number is 419.794.7482. She may contact you directly.

Sincerely yours,

Deepak Moorjani

Update

Deepak, Hope all is well with you.

I took your mom to Flower Hospital (NOT St. Anne's) at her doctor's request. She's OK. Her doctor called me tonight around 7 and asked if I would do this. Apparently, your mom saw the doc at 2 p.m. and then called her around 6 p.m. to say she was getting a headache. The doctor thinks she needs to be evaluated for many reasons, some of them psychological. She seems obsessed with her health, and her docs are growing impatient with her. Dr. Osowik, when she called tonight, was lovely and very determined to get to the bottom of all this. Flower Hospital, she said, has many more services than St. Anne's and that's why she wants her there. Mom is in Room 517, two very nice nurses greeted us at the door to her lovely private room. Hospital No. is 419 824 1444.

I left two bowls of dry cat food and water for Tigger. He should be OK for two days or until you return on Monday.

Please stay in touch.

#### Hi Sunil,

I just wanted to give you a little bit of information regarding your mom. I visited her a few weeks ago to help with her bills and checking account. She was not doing good that day. She was very upset and extremely anxious. She couldn't remember if she had taken her medicine. She was very shaky. She was really mad at herself that she left California and thought it was a big mistake.

She stated that she is not doing good and thought she should "just commit suicide". I told her that I was extremely worried about her and that I was going to call 911. She really got upset and made me promise that I wouldn't call 911. When I got back to the office I contacted Deepak because I didn't know who else to contact and I would never forgive myself if something happened to her.

She really shouldn't be driving and being by herself seems very hard for her.

If you would like to talk please feel free to contact me.

Thanks and have a good weekend.
